Best fishing in all of Canada!

"Hi," to the staff at Big Sand Lake Lodge, especially Blair Thomas. This was the best fishing I have ever had in Canada, and I have been all over Quebec, Ontario, NWT, and Saskatchewan. The walleye fishing was exceptional, and the numbers of walleye were simply amazing. The lodge itself was beautiful and the best I've ever seen. The staff was very attentive. Thanks to Marcel for suggesting the appropriate jigs and tails, and to Blair for the herring rig. Without them and their suggestions, I would not have been able to catch my five trophy lakers. And without the excellent guide service of Blair, I would not have caught the 46.5-inch lake trout.

I would recommend your lodge to anyone for fantastic walleye fishing. I saw huge northern pike but didn't have any luck with them. The potential is there, though. Thanks to Blair for above-and-beyond service of picking me up at the lodge and taking me to the boat. Much appreciated!

Longtime Friends and Guests of Big Sand Lake Lodge

Here's What They Say

Dear Rick,

I recently had the pleasure of returning to fish Chipewyan Lake having fished it last about 14 years ago. The fish we caught then and released have apparently grown up. There were 8 of us, and nearly all caught or at least hooked up fish in the Master Angler class and saw others larger than the 45-inch ones we caught. The large pike we caught were as heavy as any we have caught at other lakes over the last 30 years we have been making these trips. Thank you to Sully our camp manager, and Margie, our cook, who could have not done more to make our trip enjoyable. As for the walleye fishing, I can only say this—two fishermen, 1 hour and 45 minutes, 101 fish—Priceless!!!

Hi Rick,

I again cannot say enough how truly amazing and wonderful this past week was!! You run a top-notch operation and should be proud of yourselves!!

—Amie

Hi Rick,

Our group of 8 had 15 Master Angler fish, so we are all happy campers-fishermen.

Best regards!
—Randy

Hi Rick,

Here's a picture of my 47" Northern I caught. We had a wonderful time and look forward to an opportunity to return next year along with my family and friends. Thanks to you and your staff for another great trip.

Big Sand Lake Lodge Master Anglers

Moose Hunt

Big Sand Lake Lodge has offered its Tradition Moose Hunt for over 20 years, and this year was no exception; as the photo clearly shows, Manitoba Monster Bulls live at Big Sand Lake.

Bear Hunt

Rick,
Thanks for my most amazing Canada trip yet. This was my first experience bear hunting with a bow, and it couldn't have worked out any better. The guides had me in a great stand overlooking the lake, and I was content just enjoying the wilderness. I was in the stand for only an hour before a big brown phase bear presented me a shot. Even though it was the first night, I wasn't going to let him walk. Soon after I made the shot, an even bigger bear came in. Maybe next year! The rest of the trip was just as memorable as I chased monster pike and enjoyed the amazing views. Big Sand is truly an incredible place.
